31 July 2020

We are deeply saddened to learn of the passing away of Dr LEE, Teng-Hui, former President of Taiwan, on 30 July 2020 in Taipei. We, as Co-Chairs of the British-Taiwanese All-Party Parliamentary Group, would like to express our most sincere condolences and sympathy on behalf of our parliamentary colleagues, to the government and people of Taiwan.

Late President Lee made important contributions to Taiwan's vibrant democracy, freedom of speech, and protection of human rights, which are the shared values between Taiwan and the UK today. His passing is truly a great loss to Taiwan and beyond.
